### **ATTENTION PARENTS OF STUDENTS WHO WILL BE SENIORS NEXT YEAR**

Attention 11th grade parents & guardians, Ohio law requires students receive two (2) Meningitis vaccines before entry into the 12th grade. If your student has not received any meningococcal vaccines and they are over the age of 16, only one dose is required. If he/she has not already received the vaccine and the booster at a recent check-up, please make an appointment soon to avoid the summer rush. Proof of vaccine must be turned in to the school by September 15 to avoid being excluded from school. Vaccinations are available at your local Health Department (Ottawa 419-734-6800), from your student's physician, or local drug stores. If you have any questions or concerns, you may call
