

Dear Danbury Parent/Guardian:

Health Screenings will begin each fall, please **contact your office by the end of the 2nd week of school if you do not want your child to participate.** Vision and hearing will be tested in preschool, kindergarten, grades 1, 3, 5, 7(vision only), and 9 grades, and if you are new to our district. You will receive a confidential referral letter in the mail if your child was unable to pass the vision or hearing tests. Height and weight will be measured privately in grades K-5 and results will be kept confidential.

Sincerely,

Allison Holzaepfel MSN, RN

Danbury School Nurse
