VISITORS

All visitors must report to the office and obtain permission from the principal to be on school property. All visitors must have a "Visitor" badge displayed at all times.

ATTENDANCE POLICY

According to the Ohio Revised Code every parent or guardian must send each school age child to school. Daily attendance is essential to obtain the maximum benefit of public education. The State of Ohio defines absences as legitimate and non-legitimate. The following are examples of legitimate absences and may require a parental or doctor's note when returning to school:

1. Personal illness (Doctor's Note Required)
2. Illness in the family
3. Quarantine of home
4. Funerals
5. Emergency

6. Observance of a religious holiday
7. Court-ordered appearances (verification is required)
8. Reasons granted by the principal at his discretion

TRUANCY

Danbury Local Schools endeavors to reduce truancy through cooperation with parents, diligence in investigating the causes of absence and use of strict guidelines in regards to tardiness and non-legitimate absences. When our school determines that a student has been truant and that the parent, guardian or other person having care of a child has failed to ensure the child's attendance at school, State law authorizes the school to require the parent to attend a specified educational program. This program has been established according to the rules adopted by the State Board of Education for the purpose of encouraging parental involvement in compelling the child's attendance at school.

When it comes to the attention of the school attendance officer and/or building administration, the designated officer must investigate any case of supposed truancy within the District and must warn the child, if found truant, and the child's parent in writing of the legal consequences of being a "habitual" truant.

Danbury Local Schools must calculate absences by hours, rather than days, in conformance with the new definition of habitual truancy.

Danbury Local Schools will send written notification to the parent or legal custodian when students are considered habitually truant.

Students are defined as "habitually truant" when any student who is absent/tardy, without a legitimate excuse for:

- 30 consecutive hours without a legitimate excuse (formerly 5 days);
- 42 hours in one month without a legitimate excuse (formerly 7 days);
- 72 hours in one school year without a legitimate excuse (formerly 12 days)

The parent or guardian is required to have the child attend school immediately after notification. If the parent fails to get the child to attend school, the attendance officer or other appropriate officer must send notice requiring the child's parent through a mediation process.

TRUANCY INTERVENTION PLAN

Danbury Local Schools has a truancy intervention team that consists of but not limited to the building principal, guidance counselor, and the child's parent or legal custodian. This team will be assigned to the habitually truant students and send written notification to the parent or

legal custodian when students are considered habitually truant. Students are defined as “habitually truant” when any student who is absent/tardy, without legitimate excuse for:

- 30 consecutive hours without a legitimate excuse (formerly 5 days);
- 42 hours in one month without a legitimate excuse (formerly 7 days);
- 72 hours in one school year without a legitimate excuse (formerly 12 days);

This assignment to the mediation team and letter will occur within ten school days after the triggering absence.

- The team will then develop an intervention plan tailored to the student within fourteen school days after the team is assigned.
- The school district will provide a written copy of the plan to the student's parent or legal custodian within seven school days after the plan is developed.
- The intervention plan will explain that the attendance officer is required to file a complaint with the juvenile court no later than 61 days after the implementation of the plan if the student fails to comply with the plan.

PROCEDURE FOR REPORTING AN ABSENCE AND RETURN TO SCHOOL

1. The parent/guardian should notify the school between 7:00 AM and 8:00 AM if a student is ill. Otherwise, the office will call the home to verify the absence.
2. Upon return to school after any absence, the student should report to the school office to provide a note from the parent if a call was not made informing the office of the reason for the absence.

PROCEDURE FOR PICKING UP STUDENTS DURING THE SCHOOL DAY

The safety of our students is our utmost concern and we need to know who is taking them from our building. We ask that the adult picking up the student park on the west side of the school in the visitor parking area and come into the middle school office. The middle school secretary will call your student's room and he/she will sign out in the middle school office. No student will be released unless an authorized adult comes into the building to pick up their

student.

ABSENCES & TARDIES

1. House Bill 410 requires Ohio school district to keep track of hours of school missed by each student.
2. Students are expected to be on time for school and classes. A student is considered tardy if he/she is not in the classroom when the bell rings. When a student is late to school, he/she must sign-in at the middle school office and receive an admit slip to class.
3. When a student is tardy to class, the teacher will admit the student and turn his/her name into the middle school office.
4. Penalties for tardiness (excused or unexcused) to school or unexcused to class during each semester will be as follows:

5th tardy	1 hour of detention and parent notification
7th tardy	1 hour of detention and parent notification
9th tardy	1 hour of detention and parent notification
10th tardy	Assignment to In-School Restriction
5. In order for a student to participate in an extra-curricular activity or school- sponsored event, a student must be in school prior to 11:15 a.m. the day of the activity or event. Excused absences listed on page 19 of the student handbook identify exceptions to this rule.

MAKE-UP WORK

Each student who is absent must immediately, upon return to school make arrangements with his/her teacher(s) to make up missed work. Students who are absent from school for reasons not permitted by state law (House Bill 410) may or may not, be permitted to make up work. Each case is considered on its merits by the principal and the respective teacher(s). Students who are absent due to an in-school or out of school suspension are permitted to make up missed classroom assignments. Students are required to bring a note to school after each absence explaining the reason for the absence or tardiness.

FAMILY VACATIONS

A vacation form obtained from the middle school office must be filed two weeks prior to the vacation date. The form must be

filled out by the custodial parent or guardian and state the following:

- 1. The proposed educational value of the vacation.**
- 2. Dates the student will be absent.**

If vacation is granted, teachers will provide missing assignments- students will be responsible for completion of the assignments. Parents will be notified in writing of approval or disapproval regarding the request. Vacation days will not be approved during the week(s) of state achievement testing or other standardized testing. **Please call the school if you have any questions regarding specific testing dates.**

ILLNESSES AT SCHOOL

If a student becomes ill during school, he/she is to ask the classroom teacher for a pass to the office. If the school nurse or the principal or his designee determines the student should go home, the student will be released only with the consent of the parent/guardian or designee as stated on the Emergency Medical Form. **No student will be released unless a completed Emergency Medical Form is on file in the office.**

DISCIPLINE POLICY

The primary purpose of our school is to provide a safe and secure educational environment for all of our students. This is done to ensure that all of our students are given the opportunity to learn in an environment that is conducive to learning. When this educational environment is disrupted or interfered with, corrective measures become necessary. Generally, these measures begin with staff intervention to change behavior. Repeated violations may result in referral for counseling, parental notification and conference, detention, Saturday School, In School Restriction (ISR), Emergency Removal, assignment to ALEC, Out of School Suspension (OSS), or Expulsion.

EMERGENCY REMOVAL

When a student is in a fight, found to be in possession of an illegal substance, shows gross disrespect to any staff member, threatens a staff member, threatens to harm themselves, or is considered to be a threat to the rest of the student body he/she will be removed from the student population and placed in a restricted area until the parent has been notified to take the student home.

INTENT TO SUSPEND

When a student has been involved in or accused of a suspend-able offense, he/she will be given a letter of intent to suspend. This letter does not mean that the student will be suspended, but there is that possibility. The administration will collect evidence and make a decision as to guilt and punishment, usually within 72 hours. However, school administration is not limited to the 72 hours if more time is necessary to collect additional information.

DETENTION

Any staff member may assign detentions. Detentions are held Monday after school from 3:00 p.m. until 4:00 p.m. Detentions must be served within 10 school days of assignment.

IN-SCHOOL RESTRICTION

In-School Restriction is a self-contained program housed in the Middle School office. Students will receive assignments from their teachers and will earn full credit for all work completed. On days in which students are assigned to ISR, no participation in extra-curricular activities is permitted. Students removed from ISR due to poor behavior may be suspended out of school or expelled.

OUT OF SCHOOL SUSPENSION

When OSS is given to a student, no credit will be given for any work missed, and the days count as class absences. Students may not participate in nor attend any extra-curricular activities while on OSS.

EXPULSION

Under some circumstances a student may be recommended to the Superintendent for expulsion. The student will not be allowed to come to school and will not earn course credits. The student may not participate in nor attend any extra-curricular activities.

DUE PROCESS

Students have the right to a hearing with the principal. If the student feels that he/she did not receive due process for a disciplinary assignment to OSS, an appeal may be made to the Superintendent. (Appeals are for OSS only.)

A student shall not cause a disruption or obstruction to the school's operation by threat of the release or presence of any biological agent, hazardous substance, or poison, regardless of the circumstances of the threat. Because of the widespread terror (fear?) that such threats produce, it will be deemed to be of the most serious nature and will be punished accordingly. Emergency removal and permanent exclusion of the student from school premises, as well as expulsion, and permanent exclusion shall be considered as remedies for the punishment of such conduct. This will result in the loss of participation in any extracurricular school activities, as well as the loss of the right to be on any school premises.

2 nd Offense	50% (F) for the nine week grade, two hours of detention and parent notification.

STUDENT INFORMATION

ACTIVITIES

Students are encouraged to join extra-curricular activities, where they can have fun, make new friends, pursue special interests or develop academic or athletic skills at Danbury. Extra-curricular activities take time. The students must be aware of this and plan accordingly.

Those who miss practices, rehearsals, meetings, etc. damage the welfare and performance level of the organization. Regular school rules cover all activities.

Academic Challenge Team, Power of the Pen, Class Officers, Student Council Members, Basketball, Football, Track, Cross Country, Volleyball, Athletic Statistician.

ASSEMBLIES - PEP RALLIES - SPECIAL EVENTS

Students are expected to show proper behavior during assemblies. Giving performers and guest lecturers our attention and respect is expected of all Danbury students. Failure to be polite and respectful may result in suspension from all assemblies, special events, and pep rallies for the remainder of the school year. Disciplinary action will be taken.

FIELD TRIPS

All school regulations apply during field trips. Students must comply with rules and regulations set by the chaperones. Students may have field trip privileges taken away for discipline code violations.

HIGH SCHOOL ACCREDITED CLASSES

Middle School students have the opportunity to take high school level classes for high school credit. These classes include, but are not limited to: Band, Spanish, Health, Algebra 1, and Studio Art & Design 1. If a middle school student receives a grade lower than a B- in any of the above classes (except band), they would have the right to re-take that class again during their freshman or sophomore year and replace their previous grade from that class.

COLLEGE CREDIT PLUS (CCP)

Ohio's new College Credit Plus can help you earn college and high school credits at the same time by taking college courses from community colleges or universities. The purpose of this program is to promote rigorous academic pursuits and to provide a wide variety of options to college-ready students. Taking a college course from a public college or university College Credit Plus is free. That means no cost for tuition, books or fees. If you choose to attend a private college or university, you may have limited costs. Danbury Local Schools offers courses for college credit from Bowling Green State University and the University of Findlay. The Danbury faculty members are approved and certified through these institutions.

- **In the event that a student withdraws from a class after the college/university determined deadline or fails the class, the student is fiscally responsible to reimburse the school district at the regular tuition price.**
- **Off campus and online CCP students must provide their quarterly grades to the high school office no later than the Friday after the Danbury grading period**

to be included on the honor roll lists sent to the local newspapers and to verify their athletic eligibility.

HONOR ROLL

- High Honors: a GPA of 3.7 or higher with no grade lower than a B-.
- Honor: a GPA of at least a 3.00 with no grade lower than a C-.
- Merit Roll: (2nd, 3rd, and 4th grading periods only) This is for students who do not qualify for either the honor or high honor roll. Students must improve their grade in at least two subject areas while maintaining previous grades in their other subjects. **Students may not have any failing grades.**

LOSS OF CREDIT

If a student has exceeded his/her allowed absences for the semester and has lost credit for a course, he/she may apply for tutoring to make up the missed days. The Principal will determine if tutoring is applicable. Another solution to this situation would be mandatory attendance at summer school.

PROMOTION AND RETENTION

In order to be promoted from grade level to grade level, a student must pass a minimum of 75% of his/her core area classes (Language Arts, Mathematics, Science, Social Studies.) Students who fail to meet this criteria may be given the opportunity to attend summer school in order to be placed in the next grade level. The Superintendent will have the ultimate responsibility for determining retention or placement.
