

# *The Emergency Medical Responder (EMR)*

The curriculum meets and exceeds the requirements set by the National EMS Education Scope of Practice for an Emergency Medical Responder. This course provides the necessary tools for the rescuer to help sustain life, reduce pain, and minimize injury during out-of-hospital medical and traumatic emergencies—while awaiting or alongside higher-level personnel at the scene. Upon completion of all sections of this course participants will have certification cards in CPR/AED for Professional Rescuers, First Aid, Administering Emergency Oxygen, Blood Borne Pathogens Training, and Emergency Medical Responder. Course skills include:

- Performing a primary assessment
- CPR, AED, and Airway Ventilation
- Medical and Trauma Emergencies
- EMS Operations
- Training in asthma and anaphylaxis
- Training in epinephrine auto-injectors
- C-collar and back boarding, and more

Course Fees: \$250/participant

Course fees are subject to change, please contact us for current pricing.

Cash or check, we do not take credit cards.

Please make checks payable to Danbury Local Schools.
