

Lifeguard Certification Course

The American Red Cross Lifeguarding classes are designed to teach you not only the basics in water safety but also the proper protocol when dealing with any emergencies around water. The Red Cross blends both traditional lecture style along with crucial hands-on training in order to teach you effective techniques to deliver prompt care to those in need. Learn how to respond safely and efficiently to water emergencies with lifeguard classes from the American Red Cross.

Traditional classes as well as blended learning classes are available. Upon completion of this course participants will receive certifications for CPR Pro (CPR for the Professional Rescuer), First Aid, AED, and LG (Lifeguarding). This course can include certification cards in Emergency Oxygen Administration and Blood Borne Pathogens Training; adding these options are available but extra fees are associated with these options.
